PROFESSIONAL SUMMARY

Postgrad student of computer science, enjoys programming and solving technical puzzles. Worked as part of a team to create and refine software. Looking to use my knowledge, software and research to join and add value to a cutting - edge engineering firm, solving real problems with good, robust solutions.

WORK HISTORY

Operational Coordinator (IT & Admin) | Elite Wash Laundry JUN 2025 – MAR 2026

- Managed the company website and supported the implementation of technical solutions for daily operations.
- Handled corporate client communications and drafted formal business proposals.
- Maintained digital records and improved administrative workflows using academic computer science knowledge.

Lecturer in computer science, 08/2023 - 02/2025

Wajid Javed - Chakdara, Malakand

- **Course Design:** Developed and updated curricula to meet university standards and exam changes.
- **Automation:** Integrated automated grading tools to enhance workflow efficiency.
- **Technical Training:** Led advanced programming workshops and introduced interactive teaching methods.
- **Performance Analysis:** Used data software to assess student progress and drive grade improvements.
- **Support & Growth:** Resolved technical issues for staff/students and maintained up-to-date tech expertise.

SKILLS

- User Interface Design
- Problem Solving
- Complex Problem Analysis
- Data-Driven Decision Making
- Process Design
- Performance Evaluation
- Automated Tools Integration
- Project Management
- Cross-Functional Leadership
- Business Proposal Drafting
- Time-Sensitive Delivery Scheduling
- Operational Coordination
- Digital Documentation
- Continuous Improvement Strategy

EDUCATION

Master of Science: Computing, 01/2026 – Present

University of Northampton – Northampton UK

Master of Science: Computer Science, 04/2021 - 12/2024

University of Malakand - Malakand Pakistan

Bachelor of Science: Software Engineering, 09/2015 - 10/2019

Cecos university of IT and Emerging Sciences - Peshawar

LANGUAGES

English

Advanced

Urdu

Fluent

Pashto

Fluent

HOBBIES AND INTEREST

- Reading about artificial intelligence and machine learning
- Tech blogging and writing tutorials
- Participating in hackathons and coding competitions
- UI/UX design prototyping in spare time
- Cycling and outdoor activities for balance

CERTIFICATIONS AND LICENSES

Graphic Designing

Web Development

Python

HTML, CSS, JavaScript

Health & Safety in Workplace

First Aid (EFAW)

Cyber Security

Risk Assessment
